WITHDRAWS IN KAISER'S FAVOR

SIR THOMAS LIPTON TAKES BACK HIS OFFER OF A CUP FOR INTERNATIONAL YACHT RACES.

LONDON, October 29.—Sir Thomas Lipton has definitely withdrawn his offer to present a cup for a transatlantic yacht race in 1904, and has made way for Emperor William, who will present a cup through the New York Yacht Club or the Atlantic Yacht Club.

This result was attained by the following interchange of telegrams:

From Sir Thomas Lipton to Emperor William on October 27th:

"I hear from the Atlantic Yacht Club your majesty contemplates offering a cup for a transatlantic yacht race in 1904, but that some question has arisen on account of a similar offer by myself. In the best interests of the sport of which your majesty has always been an enthusiastic exponent, I am only too willing to ask the consent of the Atlantic Yacht Club to withdraw my offer for 1904, and most respectfully and heartily tender your majesty such support as lies in my power to make a transatlantic race for your cup in 1904 a thoroughly representative international event which under your imperial auspices, it could scarcely fail to be.

Two transatlantic races the same year would hardly be satisfactory to the contestants, nor provide an efficient test of the highest yachting skill, endurance and workmanship. I feel certain that these reasons which prompt this offer of withdrawal would appeal to the authorities of the Atlantic Yacht Club, and that they jointly with the New York Yacht Club officials, would gladly carry out such arrangements as your majesty might suggest and agree with me in desiring to do everything possible to show keen appreciation of the generous interest your majesty has repeatedly evinced in the advancement of yachting in all countries. Upon receiving your distinguished approval, I will cable to New York a definite withdrawal of my offer for 1904.

"THOMAS J. LIPTON."

From Emperor William to Sir Thomas Lipton, on October 28th:

"I am most grateful for your kind telegram. My offer was not made earlier, as I was unable to find out whether you intended to build for 1904. Consequently I feared to disturb your plans in case you were preparing a new challenge for the America's cup. I was informed by my Ambassador, who will offer my cup to the

two clubs, that at the same time a similar offer had been made by you. I at once resolved to leave it to the officers of the Atlantic Yacht Club and the New York Yacht Club to decide which offer would be acceptable to them, as I fully agree with you that two transatlantic races in the same year would hardly provide satisfactory sport or results. Your resolve to withdraw your offer for my sake has deeply touched me, and I hasten to thank you for your generous intention and accept your proposal.

"I was prompted to offer a cup in hopes of encouraging ocean racing with a view of stimulating designers and builders into producing a class capable of keeping the open sea easily and combining seaworthiness with safety and comfort, without sacrificing speed, and to develop a sound type of schooner. I believe this class of yacht would most appeal to those who love the sea and who do not wish to use their craft exclusively for racing purposes.

"With your generous withdrawal your support to make a race for an Atlantic cup a success, thereby serving the great cause of yacht racing, the finest sport in the world, the development of which I have so much at heart.

"Once more my most sincere thanks.
"WILLIAM L. R."

INJURED BY HEAVY SEAS

CHINESE ON COPTIC DASHED AGAINST RAILING AND INJURED LAST WEDNESDAY.

The S. S. Coptic with a new captain in command arrived last Friday afternoon from San Francisco. For the first time in years, the vessel failed to leave a passenger at this port. Although she has nearly 100 cabin passengers, none of them for some reason, stepped over at Honolulu.

The vessel left San Francisco October 31 and brought two days later mail and news files. She encountered rough weather during the trip. On last Wednesday Foo the steerage watchman sustained a very bad fracture of the left arm. He was caught by a heavy sea that swept over the deck of the vessel and was dashed against the railing. His left arm was broken in several places. Dr. R. B. Irons, the regular ship's surgeon attended him. Dr. Irons has returned to the vessel after a vacation on shore. Mrs. Mitchell the handsome stewardess, has also returned to the boat from a vacation.

Frank E. Beadnell is the master of the vessel this trip. He was formerly the first officer. Captain Rinder the regular commander of the boat resigned his command to accept the position of master of the new Manchuria of the Pacific Mail S. S. Company. The day that the Coptic left San Francisco Captain Rinder was presented with an elegant gold watch by his former crew. The presentation was quite affecting as Captain Rinder was well liked by his men, and it was with the most regret on both sides that he relinquished command of the Coptic.

Among the passengers on the Coptic is R. W. Irwin formerly Hawaiian minister to Japan. He is returning to Japan.

Mrs. U. Sebree the wife of Captain Sebree commander of the battleship Wisconsin is a through passenger for Yokohama. She is going to join her husband on the Asiatic station.

A number of missionaries are bound for Shanghai. The Coptic sailed at 2 o'clock Saturday afternoon for the Orient. She does not go to Manila this trip.

PRAYER OF THE PREDECEASED (W. E. P. French in Life.)
Now this is the prayer of the Bull and Bear

At the shrine of the God of Gold,
Where the shadow cast by a Christian spire,
And the western sun's effluent fire
Down a narrow street unrolled;

"O Lord of the Merger and Trust and Pool,
Of Gammon and Greed and Sham;
'Man cannot live by bread alone,'
So, give us our daily lamb.

"We need his fleece to keep us warm.
His fat when the nights are cool;
And, after all, he's an only child
And twin-brother to a fool.

"We won't do a thing to the fresh young sheep
But teach him to gambol and play;
We'll feed him on only the best of 'shorts'

And beautiful 'long' baled hay.
'He shall not suffer the pangs of thirst
This woolly stray from the flock—
For innocence we love and prize,
And always water our stock.

"The lion lies down with the lamb (inside).
So why not the Bull and Bear?
We will show him 'cover,' we'll take him in.
We've plenty of room to spare.

"His mint-sauce let him bring with him—
The 'long green' that's nice with game.
And he shall join our Browning Club
And learn what is in a name.

"Then 'let us return to our mutton'—
With current funds (which is jam)—
He shall have a plunge in our deepest pool.

And come out a steel-spring-lamb.
'O slightly Alloyed Auriferous God,
Hear thy humble beasts who prey!
The Knights of the Golden Fleece are we,
And we worship thee night and day."

2000 Dolls To be Given Away

Last year we gave away 1000 dolls. We only had half enough as supply was exhausted by 1 o'clock. This year we will give away 2000. The dolls are on the way. Watch for announcement of "doll day" later for this is the chance of the year to get a doll absolutely free. The dolls will be prettier than last year.

Our "doll day" is unique. This was something never before attempted to give a doll away absolutely free. All we asked was that a customer made a small purchase for which they received the full value of their money. This entitled them to one doll. We had "no strings" tied to the doll which would cost \$1 if you had to purchase one.
